

**CAZ Strategic Opportunities Fund
Subscription Agreement**

GENERAL INFORMATION

1. The current prospectus (the "Prospectus") of CAZ Strategic Opportunities Fund (the "Fund") concisely provides information that you should know about the Fund, including its investment objective, investment strategies, investment risks and expenses, before investing. You are advised to read the Prospectus and the Fund's current Statement of Additional Information ("SAI") carefully prior to investing and to retain it for future reference. By executing this subscription agreement (this "Subscription Agreement"), you agree to become a shareholder of the Fund and in connection therewith subscribe for and agree to purchase Shares of the Fund on the terms provided for herein, in the Prospectus, the Statement of Additional Information, and the Fund's Amended and Restated Declaration of Trust. Capitalized terms not otherwise defined herein have the meaning ascribed to them in the Prospectus.
2. **An investment in the Fund is speculative, involves significant risk and is not suitable for all investors.** It is possible that you may lose some or all of your investment and attempts by the Fund to manage the risks of the Fund's portfolio does not imply that your investment in the Fund is low risk or without risk. An investment in the Fund is illiquid and is not suitable for you if you need access to the money you invest. You may not have access to the money you invest for an indefinite period of time and you should not expect to be able to sell your Fund shares ("Shares") regardless of how your investment in the Fund performs. You do not have the right to require the Fund to redeem or repurchase your Shares although the Fund may periodically offer to repurchase Shares on such terms as may be determined by the Fund's Board of Trustees (the "Board"). Shares are not, and are not expected to be, listed for trading on any securities exchange. To the Fund's knowledge, there is no, nor will there be, any secondary trading market for the Shares. Shares are subject to substantial restrictions on transferability and resale and may not be transferred or resold except as permitted under the Amended and Restated Declaration of Trust. Because you may not be able to sell your Fund shares, you will not be able to reduce your investment exposure to the Fund on any market downturn. Please review the Fund's investment risks discussed in the Prospectus and SAI.
3. In light of the anti-money laundering risks associated with shareholder accounts maintained by foreign investors and the fact that the Fund is not registered for sale outside of the U.S. and its territories, the Fund may not accept, without the prior written authorization of the Fund's Anti-Money Laundering Officer, a subscription agreement or request for an additional purchase from a person that: (1) does not have a residential address (or the principal place of business for an entity) located within the U.S. or its territories; (2) does not have a U.S. military address; (3) is not a U.S. citizen residing outside the U.S. or its territories; or (4) does not have a valid U.S. taxpayer identification number.
4. **To help the government fight the funding of terrorism and money laundering activities, Federal law requires financial institutions to obtain, verify, and record information that identifies each person who opens an account.**
 What this means for you: When you open an account, we will ask for your name, address, date of birth, social security number and other information or documents that will allow us to identify you. This information will be subject to verification.
 By signing and submitting this Subscription Agreement, you give the Fund and its agent's permission to collect information about you from third parties, including information available in public and private databases such as consumer reports from credit reporting agencies, which will be used to help verify your identity.
 If you do not provide the information, we may not be able to open your account. If we open your account but are unable to verify your identity, we reserve the right to take such other steps as we deem reasonable, including closing your account and redeeming your investment at the net asset value next calculated after the Fund decides to close your account.
5. If you have any questions about this Subscription Agreement or the Fund, call the Fund's Transfer Agent at 855-886-2307.

This form must be completed by the person opening a new account on behalf of a legal entity customer. For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by filing a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening account on their own behalf.

Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. ***Regardless of the number of individuals identified in section (i), you must provide the identifying information of one individual under section (ii).*** It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of ACME, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (*i.e.*, one individual under section (ii) and four 25 percent equity holders under section (i)).
